Endomorph

Rasputina

Morning has broken and what do I see, but
Those same bloody fingerprints following me
It don't pay to be careful don't pay to be nice
So it's backwards and forwards and back again twice
I don't think I'll try it againGuilty was all that I felt, until now
Go ahead, say I'm wrong
But I'm curious how all you people get up
And then don't arrive late
Do you pray every day and then patiently wait?
I don't think I'll try againI'm known as The Endomorph
I'm slow, I go back and forth
I'm known as The EndomorphPunishment comes for no reason, I've seen
Then it stays for a while keeping quietBetween what you said would take place
If my big mouth was shut
And I pray every day, and it's all okay
But I don't think I'll try againI'm known as The Endomorph
I'm slow, I go back and forth
I'm known as The Endomorph
I'm known as The Endomorph
