

Captain Hook

Ch!pz

Na na na
oo oa oeo

Na na na
oo oa oeo

Na na na
oo oa oeo

Na na na
oo oa oeo

He's there the mark of a look.
Back again the king of the pirates,
we jump into the pool.
You don't want to miss the adventure.

This is the pirates life,
I guess it is
This time we gonna fly
Come on we're ready
You know what we should do, just thing a happy thought
and you will fly again

{Chorus}
Captain Hook, Captain Hook and Peter Pan
Captain Hook, Captain Hook in Neverland
You are such a brook like Captain Hook
One can tell by a look, Captain Hook

Na na na
oo oa oeo

Na na na
oo oa oeo

Tinkerbelle and the lost boys, in lying for the quest for the treasure.
We stand without our fear, we've got to throw them on the water.

This is the pirates life,

I guess it is
This time we gonna fly
Come on we're ready
You know what we should do, just thing a happy thought
and you will fly again

{ Chorus }x2
