# Through All Of It

## Colton Dixon

There are days I've taken more than I can give
And there are choices that I made
That I wouldn't make again
I've had my share of laughter
Of tears and troubled times
This is has been the story of my lifeI have won
and I have lost
I got it right sometimes
But sometimes I did not
Life's been a journey
I've seen joy, I've seen regret
Oh and You have been my God
Through all of itYou were there when it all came down on me
When I was blinded by my fear
And I struggled to believe
But in those unclear moments
You were the one keeping me strong
This is how my story's always goneI have won
and I have lost
I got it right sometimes
But sometimes I did not
Life's been a journey
I've seen joy, I've seen regret
Oh and You have been my God
Through all of it
Through all of itAnd this is who You are
More constant than the stars up in the sky
All these years of our lives, I
I look back and I see You
Right now I still do
And I'm always going toI have won
and I have lost
I got it right sometimes
But sometimes I did not
Life's been a journey
I've seen joy
I've seen regret
Oh and You have been my God
Through all of it

Oh and You have been my God
Through all of it
Oh and You have been my God
Through all of it
