

# Feel It

## Junior Caldera

Standing in a crowded room  
But all I see is you  
Like a spotlight follows where you are

Do you know I never want to leave your side  
Desire swallows up my pride  
I can't say no, I want you,  
So I've got to see this through

'Cause I just can't fight this feeling  
We should be lovers. we should be lovers  
No I just can't fight this feeling  
We should be lovers. we should be lovers  
Now I just can't fight this feeling  
My head is spinning. I think its winning  
Now I just can't fight this feeling  
And it's beating me down

Falling on you took a moment  
Your kiss charged my heart  
Just a touch could never be enough

Do you I know I'm overboard and can't be saved?  
I pray the night time makes me brave  
I have to show I want you  
So I've got to get to you

'Cause I just can't fight this feeling  
We should be lovers. we should be lovers  
No I just can't fight this feeling  
We should be lovers. we should be lovers  
Now I just can't fight this feeling  
My head is spinning. I think its winning  
Now I just can't fight this feeling  
And it's beating me down

Why don't you, why don't you,  
Why don't you come to me?  
Why don't you, why don't you  
Why don't you come to me?
