Alcohol

No Fun at All

Got the time when the sun goes up
We'll drink until we drop
My love for hundred brews
That soothes, the foot's been dropped
Not enough for the men on the walk
I drive and drink till I dropNo doubt about it
Can't live without it
No doubt about it
I can't live without it, alcohol
AlcoholWhy it's my destiny?
You get the beer
We get the time
You get the coke, gimme a lineNo doubt about it
Can't live without it
No doubt about it
I can't live without it, alcoholGot the time when the sun goes up
We'll drink until we drop
I drive and drink till I dropYou get the beer
We get the time
You get the coke, gimme a lineNo doubt about it
Can't live without it
No doubt about it
I can't live without it
Alcohol
