Firestone (feat. Conrad Sewell)

Kygo

I'm a flame
You're a fire
I'm the dark in need of light
When we touch
You inspire
Feel the change in me tonight
So take me up
Take me higher
There's a war not far from here
We can dance
In desire
Or we can burn in love tonightMy heart's alive
Firestones
When they strike
We feel the love
Sparks will fly
They ignite our bones
When they strike
We light up the world!My heart's alive
Firestones
When they strike
We feel the love
Sparks will fly
They ignite our bones
When they strike
We light up the world!
We light up the world!We light up the world!
Oh oh
Woah
Oh ohFirestoneI'm from X, you're from Y
Perfect strangers in the night
Here we are, come together
To the world we'll testifyMy heart's alive
Firestones
When they strike
We feel the love
Sparks will fly
They ignite our bones
When they strike

We light up the world!My heart's alive
Firestones
When they strike
We feel the love
Sparks will fly
They ignite our bones
When they strike
We light up the world!We light up the world!We light up the world!
Oh oh
Woah
Oh oh
