Poetry In Motion

La Bouche

Theres a whole lot of love in the world today
Going around, itll come your way
The sun is back and its gonna stay
Everybody wants some love sometimes
(Poetry in motion)Theres the sound, he feeling everywhere
Reach out and fling, love is in the air
The heart of the song is the life I swear
Everybody needs some love sometimesAint it good to feel this way
Aint it good to know
Love is back and its gonna stay
Love will bring a tollOoh, ooh, ooh, poetry in motion
(Poetry in motion)
Ooh, ooh, ooh, poetry in motion
(Poetry in motion)The a valley of light from the mountain top
A message of love thatll never stop
To have not to hold is the love youve got
Everybody wants some love sometimes
(Poetry in motion)Aint it good to feel this way
Aint it good to know
Love is back and its gonna stay
Love will bring a tollOoh, ooh, ooh, poetry in motion
(Poetry in motion)
Ooh, ooh, ooh, poetry in motion
(Poetry in motion)Aint it good to feel this way
Aint it good to know
Love is back and its gonna stay
Love will bring a tollOoh, ooh, ooh, poetry in motion
(Poetry in motion)
Ooh, ooh, ooh, poetry in motion
(Poetry in motion)Ooh, ooh, ooh, poetry in motion
(Poetry in motion)
Ooh, ooh, ooh, poetry in motion
(Poetry in motion)Ooh, ooh, ooh, poetry in motion
(Poetry in motion)
Ooh, ooh, ooh, poetry in motion
(Poetry in motion)
