Fairy Tales

The Winter Days

(CORRECTED!!)
You say that you love me,
But your heart isn't mine.
But I'll call you a liar,
Cause I see your heart in your eye.

I wanna be close to you,
I wanna be close to you.

It feels like we walked through the season
Again and again.
Along distance gazes and phases
That don't seem to end.
But there's no going back from
The places that our hearts have been.
So hold on, stay with me,
And we'll be a beautiful end.

But I don't want fairy tales,
I don't want stories;
I just want the real thing,
I just want the real thing
That's close to you.
I wanna be close to you,
I wanna be close to you,
I wanna be close to you.

So, come here beside me,
Look at me longer now.
There's love in our longing
And I know we'll figure it out.

But I don't want fairy tales,
I don't want stories;
I just want the real thing,
I just want the real thing.

But I don't want fables,
I don't want miracles;
I just want the real thing,

I just want the real thing.

No, I don't want fairy tales,
I don't want stories;
I just want the real thing,
I just want the real thing.

No, I don't want fables,
I don't want miracles;
I just want the real thing,
I just want the real thing
That's close to you.

I wanna be close to you,
I wanna be close to you,
I wanna be close to you,
I wanna be close...
