I'm Gonna Be Around

Michael Learns to Rock

It's been so long since we took the time
To share the words
From deep inside us
We're in our own world spinning our wheels
But you know how I feel
Well since the first time I took your hand
My love for you
Has just been growing
You always seem to understand
You know how I am[Chorus :]
I'm gonna love you `till the end
I'm gonna be
Your very true friend
I want to share your ups and downs
I'm gonna be aroundWhen you're alone`coz I'm away
Don't be sad
Don't be afraid
I'm gonna turn my thoughts to you
Like I always do[Chorus:]Catch you when you fall
Hold you when you're down
Sharing every moment
I want to show you all I do
I believe I found a miracle
In you[Chorus:]
