

# All Roads Lead To Rome

## Vanilla Muffins

She looks great, she's a big deal  
Her nails are polished perfectly  
She smells like a perfume shop  
Cleopatra nose and lots of gloss But does she know the football scene?  
Does she listen to Oi! music?  
No, she works to become someone  
And her childhood dreams are gone Does she treat you like a dog?  
Did she stando you up again?  
All roads leads to Rome!  
Don't worry!  
When you listen to the old sayings  
"Keep the faith and you'll move mountains"  
Girls through gold is a better one  
You need some cash, then you'll rise again Tomorrow you'll start working hard  
Premonition to the management  
She's gonna be your secretary  
She'll be making coffee  
Does she treat you like a dog?  
Did she stando you up again?  
All roads leads to Rome!  
Don't worry! Well, she thinks you're gonna stay the rest of your life the office junior  
She could never believe that soon she'll have to say:  
"I'm very pleased to meet you, sir!"
