Angel

Helena Paparizou

Wasted faces
You are surrounded by the takers, fakers
All the wounded and the weary, nearly
Breaking your wings against the window
You've closedNothing to break your fall, so you fall
I watch you fall, down deep in the abyss
Helpless...Like an angel that's fallen
Through fire and rain
Heaven is calling, calling (calling)
Like an angel that's hurting
But numb to the pain,
Heaven is calling, calling
Gonna rise, rise, rise againThere are reasons, demons
Stand at your bed and talk in whispers
Up here, like they're saviours,
But it's your voice, your choice
To crash and fly yeah
You can wake up, rise upAnd let me break your fall, as you fall
Before you fall, down deep in the abyss
Helpless...Like an angel that's fallen
Through fire and rain
Heaven is calling, calling (calling)
Like an angel that's hurting
But numb to the pain
Heaven is calling, calling
Gonna rise, rise, rise againOh, oh, oh
Fly like an angel
Fly like an angel
(Like an angel)Like an angel that's fallen
Through fire and rain
Heaven is calling, calling
Yeah...(Angel, angel)
Turn yourself around
You don't have to fall so fast to the groundOh, oh, oh, like an..
Like an angel that's lonely...
(Like an angel)Like an angel that's fallen
Through fire and rain
Heaven is calling, calling
Gonna rise, rise, rise again...

(Oh, oh, oh, like an)
Through fire and rain
Heaven is calling, calling
Gonna rise, rise, rise again
