Making Love (into The Night)

Usher

Just tell me where to go and I'll take off my clothes for you (yeah)
(you know we had to do it again right?)
You're in total control and you're running the show
I'll do whatever you tell me baby,
I'm at your service

Baby I can come by
And pick you up
We'll make love into the night,
It's never enough
Oh babe I know what you like
And I would make love to you forever and ever
Into the night
(forever and ever we'll make love into the night)

Your wish is my command
So I'll cancel my plans tonight (yeah)
(oh baby yeah)
I'll make you understand
That I'm the only one who can handle your body right
And I'm a show you tonight (ooh wee baby I'm coming)

Baby I can come by
And pick you up
We'll make love into the night,
It's never enough
Oh babe I know what you like
And I would make love to you forever and ever
Into the night
(forever and ever we'll make love into the night)

If you ever wanna know (if you ever wanna know)
Who I love (who I love)
That's you (that's you),
That's you (that's you)
It's you (it's you),
Yes you (yes you)
Oh and I ain't never leaving baby you gotta believe me
You're the one I love and girl ask who I love
Cause that's you (that's you),

That's you (that's you)
Yes you (yes you),
Yeah you

Baby I can come by and pick you up
We'll make love into the night, it's never enough
Oh babe I know what you like
And I would make love to you forever and ever
Into the night
(forever and ever we'll make love into the night)

(aye Jim)
You gonna wanna tell everybody
Bout how I got you all coming when I call
You know I break you off
And if these walls could talk they would tell everybody
Bout how I put it down
You know I shut ya down
Got you up off the ground, yes I can't be wasted
And if I let you on my spaceship
You'll have to let me taste it
Hop on it I'm a give you a ride
Cause we gonna make love all through the night

Like I cant see,
I know, I'm nice
