

# We Need You Now (feat. Kj Scriven)

## Todd Galberth

If we ever needed you  
We need you now  
We need you nowWe are your people  
And we're called by your name  
So Lord we humble ourselves to know  
Lord and we pray  
That you'll heal us  
We want you to heal us  
Lord We need you to heal us  
We need you to heal us  
Cos If we ever needed you  
We need you now  
We need you now  
If we ever needed you  
We need you now  
We need you now  
And if we ever needed you  
We need you now  
We need you now  
If we ever needed you  
We need you now  
We need you nowWe need you now ooo ooo  
We need you nowWe want to hear from heaven  
Heal our land God  
We need you now ooo ooo  
We need you nowOoo ooo ooo  
Ooo ooo ooo oooWe are your people  
And we're called by your name  
So we humble ourselves and pray  
And we seek your face
