

# Creatures of the Night

## Iced Earth

Searching in the darkness  
Running from the day  
Hiding from tomorrow  
Nothing left to sayVictims of the moment  
Future deep in doubt  
Living in a whisper  
Till we start to shoutWe're creatures of the night  
We're creatures of the nightBreathing in the madness  
Spitting out the lies  
Searching for an answer  
Keep your alibisDon't know where we're going  
Just know where we've been  
Remember when the clock strikes twelve  
The losers always winWe're creatures of the night  
We're creatures of the nightSearching in the darkness  
Running from the day  
Hiding from tomorrow  
Nothing left to sayGathering up our courage  
Ready for the fight  
Howling in the shadows  
Till we start to biteWe're creatures of the night  
We're creatures of the nightWe're creatures of the night  
We're creatures of the night
