Not Today

Maren Ord

You've got this game
You think that I am playing

But I know your name
I don't think I'm staying

All the time
You somehow just get lucky
But I'm not playing today
No way

I said oh no
I'm not giving in
I said oh no
Won't make it under my skin
I said oh no
You're not gonna' win
No not today

Ay eee ay eee ay eee ay eee

Ay eee ay eee ay eee ay eee

Oh
Say my name
But it ain't gonna' happen
You stay the same
I'm not gonna' move
Oh no
I know exactly what you're thinking
But I don't care if you approve
No oh

I said oh no
I'm not giving in
I said oh no
Won't make it under my skin
I said oh no
You're not gonna' win

No not today

Ay eee ay eee ay eee ay eee

Ay eee ay eee ay eee ay eee

I said oh no
I'm not giving in
I said oh no
Won't make it under my skin
I said oh no
You're not gonna' win
No not today

Ay eee ay eee ay eee ay eee

Ay eee ay eee ay eee ay eee
