

# I Got the Drop On You

## Mike Doughty

I got the drop on you  
But it was easy Japaneseey  
When I chase your lies in the light  
Dont you look so cutesyDown in the basement  
Where your captives scratch and they cry  
Rattling the chains and where they long  
To snap the bonds and abscond out to the nightI got the drop on you  
Cause Im sharp-eyed and Im shameless  
Well, you knocks me out of your mind  
No pity for the placelessSorry isnt good enough  
Sorry isnt good enough  
Sorry isnt good enough  
Sorry isnt good enough  
Sorry isnt good enough
