Baby Don't Go

Tiffany Evans

This is the last time I'm doing this,
And I told myself it is the last time I do it no more
You know what I'm talkin' about
Tired of keeping tracks and tryina figure out
Where you're heading
Where you've been out
Once it's over, I won't be backI-I-I know one thing's for sure
If you don't look back I'll be moving out
Some things you can't ignore
And I don't plan on begging no more!
When I'm just about to walk out the door
You be like "baby, don't go, baby don't go,
Baby, don't go, baby don't go"
And you just know what to say to me boy
You be like "baby, don't go, baby don't go,
Baby, don't go, baby don't go"This is all much that I can take all these years, your mistakes
You could've been replaced yeah
But I forgave you for the heartache,
But then I had to find out the hard way!
Where you're heading
Where you've been out
If it's over now, I promise this time I won't be back!I-I-I know one thing's for sure
If you don't look back I'll be moving out
Some things you can't ignore
And I don't plan on begging no more!
When I'm just about to walk out the door
You be like "baby, don't go, baby don't go,
Baby, don't go, baby don't go"
And you just know what to say to me boy
You be like "baby, don't go, baby don't go,
Baby, don't go, baby don't go"
