Violent Playground

Nitzer Ebb

To the left, to the left
To the left, to the leftWe are the boys, we are the big boys
We're so strong, we're so pure
We know we are, we know we areWon't you come and join us in our playground?
It's a, a violent playground
Such a, a violent playgroundWe're going out to play, there's no fun at home
No one can stop us we play for real
We play for powerNow we can grow up, we must never get old
It's not allowed, now we can play
Everywhere, everywhereWon't you come and join us in our playground?
It's a, a violent playground
Such a, a violent playgroundWe've got new toys, the old ones are worn out
We can change the world
We will play with the world, with the worldWon't you come and join us in our playground?
It's a, a violent playground
Such a, a violent playground
Such a, a violent playground
Such a, a violent playgroundTo the left
