

How Can I Tell You

Cat Stevens

How can I tell you
That I love you, I love you
But I can't think of right words to say I long to tell you
That I'm always thinking of you
I'm always thinking of you
But my words just blow away
Just blow away It always ends up to one thing
Honey and I can't think of right words to say Wherever I am girl
I'm always walking with you
I'm always walking with you
But I look and you're not there Whoever I'm with
I'm always, always talking to you
I'm always talking to you
And I'm sad that you can't hear
Sad that you can't hear It always ends up to one thing
Honey, when I look and you're not there I need to know you
Need to feel my arms around you
Feel my arms surround you
Like a sea surround a shore And each night and day I pray
In hope that I might find you
In hope that I might find you
Because heart's can do no more Do It always ends up to one thing
Honey, still I kneel upon the floor How can I tell you that I love you
I love you
But I can't think of right words to say I long to tell you
That I'm always thinking of you
I'm always thinking of you It always ends up to one thing
Honey and I can't think of right words to say
