# Click Clack

## Captain Beefheart

Two trains
Two railroad tracks
One goin' 'n the other one comin' back
There goes my baby on that ole trainI say come back come back baby come back
Click clack click clack
There's my baby wain' her handkerchief down
My cars stand up when I hear that soundThis time it sound like it's for keeps
Click clack click clack
I get down on the ground
With the gravel aroundI pray t' the Lord
That the train will stop
Turn right around
'N never stop till it drop my baby offNow I had this girl
Threatened 'n leave me all the time
Maybe you had uh girl like that
I-yuh all time cryin'Well I had this girl
Threatened 'n leave me all the time
Threatenin' t' go down t' N'Orleans-uh
'N get herself lost 'n foundMaybe you had uh girl like this
She's always threatenin' t' go down t' N'Orleans
'N get herself lost 'n found
see'mon I'll play it for yuhLemme tell yuh 'bout it
Lemme tell yuh 'bout it
There were two railroad tracks
Click clack click clackOne ah them leavin'-uh
'N the other one comin' back
I was two years from yuh baby
You were goin' way up the tracksThe train was leavin'-uh
I could see yuh wavin' your handkerchief
