

More (theme From Mondo Cane)

[Nat King Cole](#)

A More than the greatest love the world has known
this is the love i give to you alone
more than the simple words I've tried to say
i only live to love you more each day,
more than youll ever known my arms long to hold you so my life
will be in you keeping, waking, sleeping, laughing, leaping,
longer than always is a long long time
but far beyond forever you are going to be mine
i know I've never lived before and my heart is very sure
no one else can love you more
