

Sugar Walls

Jacki-O

My sugar walls

My sugar wallsWhere I come from there's a place called Heaven

That's the place where all the good children go

The houses are of silver, the streets of gold

But there's more where you come from my sugar wallsMy sugar walls

My sugar wallsBlood races to your private spots

Let me know there's a fire

You can't fight passion when passion is hot

Temperatures rise inside my sugar wallsLet me take you somewhere, you've never been

I could show you things you've never seen

Well, I could make you never wanna fall in love again

Come spend the night inside my sugar wallsTake advantage

It's alrightI feel so alive when I'm with you

Come and feel my presence

It's reigning tonight

Heaven on Earth inside my sugar wallsLet me take you somewhere, you've never been

Well, I could show you things you've never seen

Well, I could make you never wanna fall in love again

Come spend the night inside my sugar wallsI can tell you want me

It's impossible to hide

Your body's on fire

Admit it come insideMy sugar walls

My sugar walls

Come inside

My sugar walls

My sugar wallsMy sugar walls

Come spend the night inside

My sugar wallsMy sugar walls

My sugar walls
