

Son's Gonna Rise

Citizen Cope

Rollin' down the highway
Like a rocket
Headed to town now
You can't stop itGot wheel in my hand
As I stand on the floor
Of the board
Of this car on the roadGot this woman in the back seat
Yeah, she's my wifey
In the middle of the delivery
Man she saves meTo this day I don't know why
She picked me up
When I was down on the road
With the wind when it blowedWell, a son's gonna rise in a mile
In a mile
In a mile
You'll be feeling fineIn a mile you will see
After me
You'll be out of the dark, yeah
You'll get your shot
