

# Next To You

## Dance Hall Crashers

Try to pretend that you are comfortable  
I guess I know you better than you think  
Try to pretend that you are far away  
I guess I better buy you a stiff drink  
How could you try to forget what we once had  
Better not tell anyone it was bad  
Sorry I can't get any further away  
You better deal cause I'm gonna stay  
Next to you, I never wanted to, but now that I'm  
Next to you, I just can't help myself being  
Next to you, there isn't anyone else  
That I would rather do  
Try to pretend that you don't get a small chill  
Every single time that I pass you  
Try to pretend that you don't want a big thrill  
Even half as much as I know you do  
I knew you couldn't forget what you once had  
Even though it ended so awfully bad  
I'm sure the second round won't end the same way  
You'd better hope cause I'm gonna stay  
Next to you, I never wanted to, but now that I'm  
Next to you, I just can't help myself being  
Next to you, there isn't anyone else  
That I would rather do  
Try to pretend that you are comfortable  
I guess I know you better than you think  
Try to pretend that you are far away  
I guess I better buy you a stiff drink  
Don't think of running away cause I'll catch you  
And make you sorrier than you ever knew  
I know I've lost it - I don't care, so anyway  
You'd better deal cause I'm gonna stay  
Next to you, I never wanted to, but now that I'm  
Next to you, I just can't help myself being  
Next to you, there isn't anyone else  
That I would rather do  
Next to you, next to you, next to you, next to you.
