

Laying On a Bed of Roses

The Muffs

When I do everything for you
And you say that you want it too
I miss the point completely
And you don't understandThen I completely get all mad
And look the part and treat you bad
I've more fun laying on a bed of rosesOh boy, I now can hardly wait
Do everything so you can hate
Behind my back and evil
And I don't understandAgain, I should be telling you
I'll do what I'm supposed to do
I've more fun laying on a bed of rosesThere'll be no next time now
I've seen the light, oh yeah
There'll be no next time now
La, la, la, da, da, da, whoaThen I completely get all mad
And look the part and treat you bad
I've more fun laying on a bed of roses
I've more fun laying on a bed of roses
I've more fun laying on a bed of roses, whoa
