Deciding

Snus

When it's not fair, why do I have to be so?
Oh, I feel everything much more
Much more than you ever will
And it's too hard when I can't even catch your eyeCan't send you messages
And at night I dream of reasons, I can't let you go
I don't know if it's time to crack through your walls
So thick, I can't see past youSo now another winter comes through
Cold beats harder and no one is left alone
Offering you me right now
Take me I'm yoursWon't have it any other way
So don't let fools be carried by what I say
The night keeps looking our way
You're not seeing what I'm missing, I am missing youWhen I think that we should run as fast as we can
Into what we don't know
When it's time to let me in
When it's time to let me in, I feel just fine
