## Wyclef Jean

It's the carribean connection, asian invasion, coming to your residence.

Listen me, Geisha  
Me waan see your lighta  
All my girls sing for di hoo-has

Everybody, everybody  
China wine, china wine(mix da china wine with da dutty wine)

Everybody china wine, everybody china wine, everybody china wine (mix da china wine with da dutty wine)

[Wyclef Jean:]  
I'll neva forget when my plane landed in jamaica  
It was me, tony matterhorn, elephant man and the girl that they call Geisha  
She said (china wine, china wine, china wine)  
I asked her, what does it mean she said  
In china we luv da dutty wine so much dat we mix it with the china wine

China wine, china wine, china wine, china wine, china wine, china wine  
Mix da china wine with di dutty wine  
China wine, china wine, china wine, china wine, china wine, china wine  
I'm a dance my problems away

[Tony Matterhorn:]  
Move with di body  
Den you wine it up  
In da club in da dance  
And ya jine it up  
Wyclef, passa blem  
Lemme grind it up  
'cause the way she move shes hard to touch  
Ever see something look so finer  
Rite from jamaican, straight to china  
Look upon da girl a shes a dirty wina  
Ed Hardy, dats her designa  
Hips don't lie it's makes yuh finer  
Wonder if she's from Cebina

Mix da china wine with di dutty wine  
China wine, china wine, china wine, china wine, china wine

[Geisha:]  
Throw on my dancing shoes  
I got nothin to lose  
Tonight I'm gonna hit the nightlife  
And party away...
