Aikea-Guinea (Alternate Version)

Cocteau Twins

When he pushes away
Like he's gonna have to make me
He gladdens
When he pushes away
Like he's gonna have to make me

Like he's gonna have to make me He gladdensOh, please

Please

When he pushes away

Like he's gonna have to make me He he he he heIt's so good to have a man

It's so good to have him check him out

Saliva peeks from his trail

I gained a lot of advice from him

It's so good to have a man

It's so good to have him check him out

Saliva peeks from his trail

I gained a lot of advice from himOh, please

Please

It's so good to have a man

It's so good to have him check him out

At night

Oh, please

Please

It's so good to have a man

It's so good to have him check him outWhen he pushes her back

Like he's gonna have to make me

Saliva peeks from his trail

I gained a lot of advice from him

It's so good to have a man

It's so good to have him check him out

Saliva peeks from his trail

I gained a lot of advice from him

When he pushes her back

Like he's gonna have to make me

Saliva peeks from his trail

I gained a lot of advice from him

It's so good to have a man

It's so good to have him check him out Saliva peeks from his trail I gained a lot of advice from himOh, please
Please
When he pushes her back
Like he's gonna have to make me
Please

It's so good to have a man
It's so good to have him check him out
My love

Please
