All Back

Chris Brown

[Verse 1]
If I have a moment, I capture that moment
You would be right here next to you
If I had the secret, the secret to your love
I would ..the treasure beneath my heart
Lucky our love though it the key
I would never give it all
'cause I was just a faw, a faw for you
When I love you so childishly.

[Chorus]
And I want it all, yeahh
I want it all, I want it all, I want it all back
I want it all back, I want it all, I want it all
You never miss the good things till is gone,
I want it all, now I want it all.
You never miss a good thing till is gone, I want it all

[Verse 2]
Now I want it all, if there's a green life
And it's supposed to turn yellow
Better to the flow doesn't know your heart is turning grey,
If I had a minute, I would turn em into hours
And make love to your money not your body and stay,
I was just a fool, a fool for you,
That didn't know what had I until I lost you
Every single moment you turn it ..
You said .. to me that everything seems so good

[Chorus]
And I want it all, yeahh
I want it all, I want it all, I want it all back
I want it all back, I want it all, I want it all
You never miss the good things till is gone,
I want it all, now I want it all.
Now everything is in every ..
If everything, everything is with you ..
Now I want it all back, now I want it all back
Now I want it all back
