

When the Lady Smiles

Golden Earring

When the lady smiles, you know it drives me wild
Her lips are warm and resourceful
When her fingertips, go drawing circles in the night
And the mood is soft and sensual, huh
And I love it, yeah, I love it It's the answer to all my dreams
Hey, every time it feels like the earth is shakin'
It doesn't matter, a glass is fallin', hear it shatter
Maybe it's raining, faster and faster
Shadow dancin', together oh I'm a bettin' on the game of love
Oh, oh, oh I, I'm bettin' that love is gonna come out
When the walls no longer shout, back at me
And I'm feelin' proud When the lady smiles, she holds me in her hand
As a matter of fact, she could always let me down
But when the lady smiles, I can't resist her call
As a matter of fact, I don't resist at all
'Cause I'm walking on clouds and she is leadin' the way My friends tell me, she's the beast inside your paradise
I guess you've heard it all before
A fallen angel, that has got you hypnotized
And that always needs some more, huh
And I love it, yeah I love it She's done nothin' to mislead me
'Cause every time we meet the earth is shakin'
It doesn't matter, a glass is fallin', I hear it shatter
Maybe it's rainin', faster and faster
Shadow dancin', together oh I'm bettin' on the game of love
Oh, oh, oh I, I'm bettin' that love is gonna come out
When the walls no longer shout, back at me
And I'm feeling proud When the lady smiles, she holds me in her hand
As a matter of fact, she could always let me down
But when the lady smiles, I can't resist her call
As a matter of fact, I don't resist at all
'Cause we're walkin' on clouds and she is leadin' Oh no, oh no, oh no
