

Ghost Town

Cheap Trick

Well, the streets are all crowded
Lots of people around
And there's music playing
But I can't hear a sound Just the sound of the rain
Falling silently down
Livin' ain't been livin'
Since you put me down Yeah, life goes on around me every day
But it might as well be
Half a million miles away It's like a ghost town without your love
Like a ghost town without your love
Like a ghost town, baby, can't you see?
It's a ghost town, until you come back to me
Oo, oo, till you come back to me Well, I wish I still had you
Had you here next to me
Baby, where did you go?
Baby, why did you leave? Oh, the world, it keeps turnin'
But it don't turn for me
Without you in my life
My life ain't no place to be There's only lonely days and empty nights
Ain't the same without you, baby
Nothing's feelin' right
Nothings feelin' right It's like a ghost town without your love
Like a ghost town without your love
Like a ghost town, baby, can't you see?
It's a ghost town, until you come back to me
Oo oo, till you come back to me Darlin', I wanna leave this town
Don't wanna be around
I'm gonna leave this town
It's like a ghost town Its like a ghost town without your love
Like a ghost town without your love
Like a ghost town, baby, can't you see?
A ghost town, until you come back to me
Oo oo, till you come back to me
Its like a ghost town
Its a ghost town Hey hey, its like a ghost town, cant you see?
Its like a ghost town
'Til you come, till you come back to me
Oo oo oo, 'til you come, till you come back to me
