Tell Me Who I Am

Fool's Garden

(Freudenthaler)
There's a sign on the wall
and it's a sign so white of colour
The more I watch, the more it turns around
And it's painting, yellow circles down on the floor
Go!
Time is up and the sky is down
Where is the only way I know
All the precious lines, the previous times
There's nothing else below
Why don't you take it away
Why don't you take it away
Why don't you take it away with all it's pain
Why don't you take your spell away
Tell me who I am
Tell me where I go

My brain begins to swim
but I don't know
No illusion, no discovering
nothing left at all
No protection, no assurance
I stumbled, no I fall
Why don't you take it away
Why don't you take it away
Why don't you take it away with all it's pain
Why don't you take your spell away
Tell me who I am
Tell me where I go
My brain begins to swim
but I don't know
