Attila the Hun

Saxon

There's Something Coming From The East
Hear The Thunder Of The Beast
Evil Shadow Cross The Sun
A Million Voices Rise As One[Chorus:]
Atila The Hun
Atila The HunLook Into The Jaws Of Death
Can You Feel The Devils Breath
There's Nowhere Left For You To Run
The Scourge Of God He Soon Will Come[Chorus]From The Towers Of Babylon
To The Deserts Of The Sun
In Temples Of Mighty Rome
To The Land Of The Earth And Stone
The Only Word That You Will Here
A Name That Brings You Panic And Fear
Just When You Think The Killings Done
A Million Voices Rise As One[Chorus]There's Somthing Coming From The East
Hear The Thunder Of The Beast
Evil Shadow Across The Sun
A Million Voices Rise As One[Chorus]Can You Hear Them Coming Near
You Cannot Move Your Paralised With Fear
All They Bring Is Death And Pain
The Life You Had Will Not Remain
A Mighty Empire Rising From The East
Will You Send An Army To Defeat
The Mounted Warriors Arrows Fall Like Rain
The Conquerors Army Rides Across The Plain[Chorus]
