

# Hold on for Dear Love

## Bridgit Mendler

I've been staring at the ceiling  
Watching the fans flow around, round and round  
'Cause I can't hear my breathing  
The words we said are still so loud, loud, loud  
And we been drifting off so far  
And I don't even know where we are  
Before we jump, before we leave  
And all is lost for you and me, yeah  
If we're not stupid  
We'll both hold on for dear love  
Find our way through this  
It's not worth just giving up  
'Cause I've got some fire left in me  
And I don't see us ending this way  
If we're not stupid  
We'll both hold on for dear love, love  
I've been weighed down by the silence  
All these words that don't come out, out  
Been tempted just to write it  
And say I'm sorry without a sound, sound, sound  
'Cause we been drifting off so far  
That I don't even know where we are  
But we can try and we can speak  
Before we're lost indefinitely  
If we're not stupid  
We'll both hold on for dear love  
Find our way through this  
It's not worth just giving up  
'Cause I've got some fire left in me  
And I don't see us ending this way  
If we're not stupid  
We'll both hold on for dear love, love  
I been terribly human  
Using you like a punching bag  
And you been terribly angry  
Taking out all your worst words on me  
And I see what we were  
And I know that we've hurt  
But I know that it's worth it to fight  
For all our love tonight  
If we're not stupid  
We'll both hold on for dear love  
Find our way through this  
It's not worth just giving up  
'Cause I've got some fire left in me  
And I don't see us ending this way

If we're not stupid  
We'll both hold on for dear love, love  
Love, love, love
