We Ain't Friends

Nature

We aint friend (guess it gotta be like dis) no more, howd it end (you made it like dis) cold war, we aint close (i thought we was gonna be here foreva) like we use to be (you and me) we aint friends
yo yo (we aint friends) how long'd ya think that you could get away with it? (no more) did ya think the bullshit would stay hidden? (how'd it end) ya'll nukkas fuked up makin me choose (cold war) yo i use ta have love for you now i refuse (we aint close) to have anything other then hate my brothers fate finished (like we use to be) i wonder how the evil got up in us (we aint friends) , you throw dirt on my name when you bleed then you game when i need then you came but not now we aint friends
do the math yo add and subtract every year i lose a close friend too many havnt come back i've seen nukkas on the night of there death i sat in on nukkas baggin up goin home inspired the chef i tried to make alittle money dunn and buy it myself not knowin that this drug shit required some help i had no where to turn yo what could i do when you gave me your back like nukka fuk you now i see what i couldnt b4 ya nose divin like ya'll Egypt air i put ya'll right in the morgue there aint a line that ya'll couldnt absorb i'll makes it clear for ya and makes it get up in ya area handle ya'll business let it be known that i know fuk tryna spread a rumor the lead is goin throw ya, ya neva grow too old ta get your revenge when its on then its on dont talk we aint friends
(we aint friends) how long'd ya think that you could get away with it? (no more) did ya think the bullshit would stay hidden? (how'd it end) ya'll nukkas fuked up makin me choose (cold war) yo i use ta have love for you now i refuse (we aint close) to have anything other then hate my brothers fate finished (like we use to be) i wonder how the evil got up in us (we aint friends) , you throw dirt on my name when you bleed then you game when i need then you came but not now we aint friends
i know nukkas that are neutral and nukkas that move quick ta shoot ya throw ya stitchin stop ya twitchin cant sell no rocks without my permission nukkle head bring alot of friction the bullshit be non-existing so if you livin a lie that means you only welcome for a limited time i dont care who you know interfere with my doe then i'll come where you stay you was cool yesterday but now im livin for tomorrow a brand new me i move on never hesitate when you wrong catch me in the crib with one shoe on gettin the mail nuthin but bills and coupons over power ya'll im too strong im ? the kids they going crazy in the house when the juice gone are you as stubborn as me is it love is it beef then we all make amends if not we aint friends
(we aint friends) how long'd ya think that you could get away with it? (no more) did ya think the bullshit would stay hidden? (how'd it end) ya'll nukkas fuked up makin me choose (cold war) yo i use ta have love for you now i refuse (we aint close) to have anything other then hate my brothers fate finished (like we use to be) i wonder how the evil got up in us (we aint friends) , you throw dirt on my name when you bleed then you game when i need then you came but not now we aint friendsWe aint friend no more, howd it end cold war, we aint close like we use to be we aint friends
