Metallica

You want some more huh?
Well that's goo man, cause eh,I got something to say
And I killed a baby today
Foesn't matter much to me
As long as it's deadWell I got something to say
I raped your mother today
Doesn't matter much to me
As long as she spreadSweet lovely death
I am waiting for your breath
Come sweet death, one last caress
GoSweet lovely death
I am waiting for your breath
Come sweet death, one last caressWell, I got something to say
I killed your baby today
Doesn't matter much to me
As long as it's deadSweet lovely death
Just waiting for your breath
Come sweet death, one last caressLast caress
