Miss Misery

Katydids

A little busybody told me I was blind.
I wouldn't sense the nose on my face.
You know I never listen to her "good advice."
And I resemble the thing she made up.
If anyone should ever bring you down, she will.
And she will.
And she will.
She's Miss Misery.
Never the one to interfere.
She's Miss Misery.Whenever there's a rumor going 'round and 'round, and 'round and 'round, and 'round.
You've got to look no further.
She said it was her duty as a volunteer.
To come to me with this information,
She couldn't think of anything she wanted more.
Than hitting me with her expectations.
If anyone should ever bring you down, she will.
And she will.
And she will.She's Miss Misery.
Never the one to interfere.
She's Miss Misery.
Whenever there's a rumor going 'round and 'round, and 'round and 'round, and 'round.
You've got to look no further.If anyone should ever bring you down, she will.
If anyone should ever bring you down, she will.
And she will.
And she will.
