I Would

Longview

Back here, not where
I know I said I'd see you there
Too much, too late
So late to come running back aroundBut I would
Go anywhere for you I would
Bite off more than I could chew for you
Go anywhere for you
If you asked me to I would
You know for youBy saying I don't care
Didn't see you still had to bear it all
And now it shows
You weren't fine I thought I didn't knowBut I would
Go anywhere for you I would
Bite off more than I could chew for you
Go anywhere for you
If you asked me to I would
You know for you
