

We Got It All Tonight

Sister Hazel

20-dollar bill in my pocket
350 Chevrolet knockin'
It ain't worth much
But tonight it's running plenty good enough No party no strobe light flashin'
VIP velvet rope action
Out here, right here
We got our own little perfect kind of atmosphere Static on the radio, ready to rock
Cool track, chill back, ready or not
Smilin' that smile I don't want you to stop
Yeah you and I
We got it all tonight
Big sky with the stars all shining
No we ain't got nothing but time and
Moonlight falling, good times calling
Ain't got much
But we got it all tonight Thrift shop, rock and roll t-shirt
Your look is so good that it hurts
I swear don't care
You know it ain't likely but it's got me wantin' to stare Can't do a dinner at a 5-star
So how 'bout we hit a little dive bar
Little bit, later on
But right now let's keep rolling along Static on the radio ready to rock
Cool track, chill back, ready or not
Smilin' that smile I don't want you to stop
Yeah you and I
We got it all tonight
Big sky with the stars all shining
No we ain't got nothing but time and
Moonlight falling, good times calling
Ain't got much
But we got it all tonight On the wheel good, feel good, late at night
All I need is you lookin' like that
Just like that
Just like that Static on the radio ready to rock
Cool track, chill back, ready or not
Smilin' that smile I don't want you to stop
Yeah you and I
We got it all tonight
Big sky with the stars all shining

No we ain't got nothing but time and
Moonlight falling, good times calling

Ain't got much

But we got it all tonight hey yeah

We got it all tonight, oh

We got it all tonight

We got it all tonight
