

# Mercury & Lightning

John Mark McMillan

I've been chasing God  
I've been chasing mercury and lightning  
And I've been pressing hard  
I've been coming up short  
Lately, I've been thinking about  
What's gonna happen with you and I  
I need a new religion  
Or I need a new lifeI've been on the phone  
I've been chasing mercury and lightning  
Pressing for the deal to close  
I've been coming up short  
Lately, I've been thinking about  
What's going on between you and I  
I need a true religion  
Or I need a new life  
I swear I've heard the echoes of a voice  
Like a dream that you feel, but you don't remember  
I've known it ever since I was a boy  
Like a word on the tip of my tongue  
I swear I've heard the echoes of a voice  
Like a dream that you feel, but you don't remember  
I've known it ever since I was a boy  
Like a word on the tip of my tongue
