

Severina

ChingÃ³n

Shes got her head in the clouds
Shes got the stars in her eyes
And shes dancing
With a dream in her heartShes got the wind in her hair
Moon child shining bright
And shes dancing
With a dream in her heartSeverina, SeverinaShe believes in angels
She believes in will of the Gods
And shes dancing
Amongst the magic dustShe believes in the midnight trance
She believes in love is the law
Shes dancing
Amongst the magic dustSeverina, SeverinaStar child
Baby born of heaven
Severina, SeverinaShes got a heart full of promise
Shes got a hand in her heart
Shes dancing
By the light of the moonShes got a head full of secrets
Sworn to the faith of love on the will
Shes dancing
By the light of the moonSeverina, SeverinaShes a gift to the Gods
Shes dancingSeverina, Severina, Severina
