

Temptation

Moby

Heaven
A gateway to hope
Just like a feeling
I need, it's no joke And though it hurts me
To see you this way
They traded by words
I'd never heard
To hard to say them Up, down, turn around; please don't let me hit the ground
Tonight I think I walk alone to find my soul desire to go home Up, down, turn around; please don't let me hit the
ground
Tonight I think I walk alone to find my soul desire to go home Oh it's the last time, it's the last time
Oh it's the last time, it's the last time Each way I turn
I know I'll always try
To break the circle
That has been placed round me From time to time
I find our lost
Meaning
That was urgent To myself
I don't believe Oh, up, down, turn around; please don't let me hit the ground
Tonight I think I walk alone to find my soul desire to go home Oh, up, down, turn around; please don't let me hit
the ground
Tonight I think I walk alone to find my soul desire to go home Oh it's the last time, it's the last time
Oh it's the last time, it's the last time And I have never met anyone quite like you before
And I've never met anyone quite like you before And I have never met anyone quite like you before
And I've never met anyone quite like you before And I've never met anyone quite like you before
Oh, up, down, turn around; please don't let me hit the ground
Tonight I think I walk alone, to find my soul desire to go home And I never met anyone quite like you before
Up, down, turn around; please don't let me hit the ground
Tonight I think I walk alone, to find my soul desire to go home Up, down, turn around; please don't let me hit
the ground
Tonight I think I walk alone to find my soul desire to go home Up, down, turn around; please don't let me hit the
ground
Tonight I think I walk alone to find my soul desire to go home
