

Deep (Christ Analogue remix)

Collide

Love in our hearts
Twist and turn
I get caught
In a cocoon
The flowers bloom and wither
Hearts that beat, I shiver
I go deep
I go deep
Translucent skin
I'd look right through
Into your mind
I'd be consumed
Two hearts that beat
And beat as one
And beat as one
I swim
I go deep
I swim, I swim, I shiver
I go deep
I go deep
I get caught
I go deep
I go deep
I swim
(I swim)
I go deep
I swim
(I swim)
I go deep
(I go deep)
(I go deep)
