

The Valley

Mayer Hawthorne

Oh, oh, oh oh
Oh, oh, oh oh
Oh, oh, oh oh Surf City Squeeze
And a tabloid magazine
She went through the same routine last week
Oh out in Ojai
She's a small town beauty queen
She promised herself she'd keep it clean She's gotta get out the Valley
Though her friends don't understand why
She's gonna make it in Cali
Gotta try
She's gotta get out the Valley
If she stays too long she'll die
She's gonna make it in Cali
Gotta try
Gotta try Oh, oh, oh oh
Oh, oh, oh oh
Oh, oh, oh oh Saying goodbye
To the grind at the Coffee Bean
That blue collar life don't mean a thing
Oh Hollywood lights
Always shining in her dreams
She wants her name on the silver screen She's gotta get out the Valley
Though her friends can't understand why
She's gonna make it in Cali
Gotta try
She's gotta get out the Valley
If she stays too long she'll die
She's gonna make it in Cali
Gotta try
Gotta try Oh, oh, oh oh
She's gotta get out the Valley
She's gotta get out the Valley
She's gotta get out the Valley
Gotta try
Gotta try
Oh, oh, oh oh
Oh, oh, oh oh
Oh, oh, oh oh

Oh, oh, oh oh
