

# Between You And Me

## Briskeby

Sorrow is a lonely feelin'  
Unsettled is a painful place  
I've lived with both for far too long now  
Since we've parted ways  
I've been wrestling with my conscience  
And I found myself to blame  
If there's to be any resolution  
I've got to peel my pride away  
Just between you and me  
I've got something' to say  
Wanna get it straight  
Before the sun goes down  
Just between you and me  
Confession needs to be made  
Recompense is my way to freedom now  
Just between you and me  
I've got something to say  
If confession is the road to healing  
Forgiveness is the promised land  
I'm reaching out in my conviction  
I'm longing to make amends  
So I'm sorry for the words I've spoken  
For I've betrayed a friend  
We've got a love that's worth preserving  
And a bond I will defend  
Just between you and me  
I've got something' to say  
Wanna get it straight  
Before the sun goes down  
Just between you and me  
Confession needs to be made  
Recompense is my way to freedom  
Just between you and me  
I've got something to say  
In my pursuit of God, I thirst for holiness  
As I approach the Son, I must consider this  
Offenses unresolved, they'll keep me from the throne  
Before I go to Him, my wrong must be atoned  
If there's to be any resolution

I've got to peel this pride away

Just between you and me

I've got something' to say

I wanna get it straight

Before the sun goes down

Just between you and me

Confession needs to be made

Recompense is my way to freedom

It's my way to freedom

It's my way to freedom

It's my way to freedom

I've got something to say

So let me say it today

It's my way to freedom

It's my way to freedom

I've got something to say

Confession needs to be made

It's my way to freedom

It's my way to freedom

I've got something to say

Confession needs to be made

It's my way to freedom

It's my way to freedom

I've got something to say
