

# Stand

## Shawn Stockman

I'll Stand even when life has got me down  
And my hopes and dreams nowhere to be found  
Still I Stand cause I know I'm too close to give up now  
I'll put it all in your hands and just Stand (yea yea)Chorus  
    Stand even when nights seem cold and  
    Stand when you can't feel your soul and  
    Stand when your dark past won't seem to go away  
(Help me say) You can StandGod is right by your side and  
    He will make everything alright  
    So if you can lift your hands  
There's a plan and just StandIf I cry it's alright  
    Cause it may be just what I need (hum)  
    Cause everybody hurts sometimes and  
        Every heart needs relief  
        Still I know where to go  
        To the one who understands  
        So no matter what tomorrow may bring  
Still I StandChorusEverybody help me say Oh...Stand  
    Even if you fall still know that you can just Stand  
        Oh...  
        If you can lift your hands  
        There's a plan if you just Stand  
        If youChorus
