All Alone

Irving Berlin

[1st verse:]
Just like a melody that lingers on
You seem to haunt me night and day
I never realized till you had gone
How much I cared about you
I can't live without you
[Refrain:]
All alone
I'm so all alone
There is no one else but you
All alone
By the telephone
Waiting for a ring
A ting-a-ling
I'm all alone every evening
All alone feeling blue
Wondering where you are
And how you are
And if you are
All alone too
[2nd verse:]
Just for a moment you were mine, and then
You seemed to vanish like a dream
I long to hold you in my arms again
My life is very lonely
For I want you only
