Manicure

6

Put some lipstick on
Perfume your neck, slip your high heels on
Rinsee and curl your hair
Loosin your hips, and get a dress to wear
Im the one whos been comin round lookin to love-in-you
Youre the medicine
I need to heal the way you make me feel
Im gun be MANiCURED
You wanna be Man Cured
Ma ma ma MANiCURE
She wanna be Man Cured
Im gun be MANiCURED
You wanna be Man Cured
Ma ma ma MANiCURE
She wanna be Man Cured
Heal me cause Im addicted to love (MAN-CURE)
Save me cause Im addicted to love (MAN-I-CURE)
Touch me in the dark
Put your hands all over my body parts
Throw me on the bed
Squeeze tease, repeat at one to ten
Im the chick whos been comin round, lookin to love-in-you.
Youre the medicine
I need to heal the way you make me feel
Im gun be MANiCURED
You wanna be Man Cured
Ma ma ma MANiCURE
She wanna be Man Cured
Im gun be MANiCURED
You wanna be Man Cured
Ma ma ma MANiCURE
She wanna be Man Cured
Heal me cause Im addicted to love (MAN-CURE)
Save me cause Im addicted to love (MAN-I-CURE)
Im addicted to love
Im addicted to love
MANiCURE! MANiCURE! MANiCURE!
Im gun be MANiCURED
You wanna be Man Cured

Ma ma ma MANiCURE
She wanna be Man Cured
Im gun be MANiCURED
You wanna be Man Cured
Ma ma ma MANiCURE
She wanna be Man Cured
Heal me cause Im addicted to love (MAN-CURE)
Save me cause Im addicted to love (MAN-I-CURE)
Im addicted to love
