Dreaming

BT

No words, no talk
We'll go dreaming
No pain, no hurt
We'll go dreamingWalk with me, the future's at hand
Here with us, here where we stand
We both know the power of pain
We get back up and start it againWith new hope
No place for tears
Leave behind those frozen years
Come with me and we'll go dreamingWe don't know how it can be
Searching our dignity
Nothing can be as savage as love
One taste is never enoughWith new hope
No place for tears
Catch my hand and come with me
Close your eyes and dreamWalk with me, the future's at hand
Here with us, here where we stand
We both know the power of pain
We get back up and start it againWith new hope
No place for tears
Leave behind those frozen years
Come with me and we'll go dreamingWe don't know how it can be
Searching our dignity
Nothing can be as savage as love
One taste is never enoughWith new hope
No place for tears
Catch my hand and come with me
Close your eyes and dreamNo words, no talk
We'll go dreaming
No pain, no hurt
We'll go dreamingNo words, no talk
We'll go dreaming
No pain, no hurt
We'll go dreaming
