

# Jesus Is Here To Stay

## Sister Rosetta Tharpe

Let us pray pray pray  
Pray pray pray  
And give thanks unto the Lord  
Weâ€™re going to glory  
Weâ€™ll fall down on our knees  
Coz Jesus is here to stay

[Repeat:]

Let us sing sing sing  
Sing sing sing  
For I know heâ€™s here to stay  
I can feel him in my soul  
Coz he has made me whole  
And Jesus is here to stay

Let us shout shout shout  
Shout shout shout  
Let the world know just what itâ€™s all about  
He rose from the grave  
My soul he has saved  
Because Jesus is here to stay

[Solo:]

Let us march march march  
March march march  
To the alter of the Lord  
Weâ€™ll sing his praises aloud  
And shout, shout with the crowd  
Coz Jesus is here to stay

Let us pray pray pray  
Pray pray pray  
And give thanks unto the Lord  
Weâ€™re going to glory  
Weâ€™ll fall down on our knees  
Coz Jesus is here to stay
